

## Questions & Answers

### RFP 2014-01 Kiosk Services for County Bill Payment

#### 1. Question January 20, 2014

After reading the RFP, it is not clear which department is intending to use the kiosk for bill payments. Are you looking for a County-wide payment solution or for a specific department such as water utilities or courts?

Webb County is looking for a county wide payment solution and during contract negotiations the actual bill payments to be serviced will be discussed and agreed upon. We will consider the recommendations of the selected provider.

#### 2. Question January 22, 2014

Please provide written consent that no "Performance Bond is necessary to submit a response to the Webb County Kiosk RFP #2014-01?

We confirm that there is not bid bond, payment bond or performance bond that is required with the submittal of a proposal in RFP #2014-01 Webb County Kiosk Services.

Any insurances or bonds that may be required by the attorneys would be discussed after a firm is selected and during contract negotiations. These are not required at this time.
